

Name

Our Neighbourhood Plan

Neighbours who know each other and have a plan in place are far more likely to be able to quickly, safely and effectively navigate an incident or disaster than those who do not. Use this template to put together a plan with the people in your neighbourhood, then submit it to register your group.

Neighbourhood Checklist

Resilient communities stay well-connected, look after each other, share skills and resources and therefore recover from incidents and disasters quicker.

Our group wants to:

Email

Welcome new neighbours

Get to know each other

Offer help when it is needed

Have a street evacuation plan in case of flood, fire, earthquake or tsunami

Maintain an up-to-date contact list

Organise regular gatherings

Share tools and equipment

Share skills and knowledge

Fundraise for emergency equipment (eg. defibrillator)

Look after our environment (eg. local beach, park, river)

Reduce local crime

Setup neighbourhoood resources (eg. a pātaka kai - pantry or a tool library)
